

All you need is love

...AND A WEDDING PLANNER.

We're Sarah and Holly.

We are obsessively organised and love to help couples plan their perfect wedding, and make it as fun and stress free as possible.

Alongside our highly skilled team of creatives, planners, and coordinators, we create, plan, style, and coordinate unique events.

That being said, we both work on every single wedding on our books. That way, you know you're getting the benefit of our combined experience and dedication.

Each Confetti & Co Wedding is personalised, memorable, and most of all - enjoyable.
Any scale, any style, any budget.

We've been working in the wedding industry for over a decade, which means we have an amazing network of suppliers, and enough experience to spot - and avert - potential wedding disasters a mile away.

Although we're based in Perth WA, we've been known to venture out - we've managed gorgeous destination weddings in Broome, the South West, Interstate and Overseas.

Between us, we deliver the perfect blend of fun, flexibility, and perfectionism.

Sound good? Let's meet for a chat!

PLANNING + MANAGEMENT

WHAT'S INVOLVED

Designed for couples who require a complete wedding planning management service, our Wedding Planning & Management package means that our experienced Wedding Planners will take care of and manage every aspect of your wedding - including budget, scheduling, design, style and vision, and they'll research the perfect suppliers to match your personal style and wedding needs.

This is our premium service, designed to allow you to actually enjoy the wedding planning process and your wedding day; we'll turn your dreams into plans.

HOW IT WORKS

First, we sit down with you to discuss your vision for your wedding day. By the end of our consult, we'll all have a crystal clear idea of your design, style preferences, priorities and budget.

Then, we use our extensive experience and network to match you with the perfect vendors and suppliers for every aspect of your wedding – from finding you the perfect venue to matching you with the perfect photographer, to all of the design and styling elements.

This package gives you full access to our design studio and online planning platform.

You'll have full access the entire time to our design studio - which means you'll get everything created especially for you from moodboards to floor plans, floristry, lighting designs, even stationery.

We'll also ensure you've got regular meetings with us during the planning to keep you updated, including venue site visits, and we'll always ensure we're in touch and easily reachable via phone or email.

WHAT YOU GET

Unlimited phone and email support throughout the whole process.

Unlimited wedding meetings throughout the wedding planning process, including venue and supplier visits.

Design and style consultation with budget analysis.

Detailed schedules and communication to keep you informed and in the know, the whole way through.

Access to our exclusive online wedding planning platform, to keep you up-to-date and informed of your planning, budget, and customised wedding timeline.

The very best deals - we have amazing contacts and strong relationships with many vendors. That being said, we're not afraid to venture beyond our little black book to find you the perfect match.

Dedicated, experienced and passionate Wedding Planners. We know what works and how to negotiate the best deals for you.

Complete coordination, budget management, research, and sourcing of all wedding suppliers including but not limited to the perfect celebrant, stationers, transport and entertainment.

Plus, we'll be there to coordinate and assist at the wedding rehearsal as well as the big day itself to make sure everything is perfect and beautiful.
